EDUCATION

Bachelor of Science in Computer Science & Engineering

Port City International University, Chattogram, Bangladesh | CGPA: 3.84 / 4.00

Academic Projects and Coursework:

- Developed an ATM/CRM machine system management application using Object-Oriented Programming
- Developed an Automated Railway Gate Control system using Arduino UNO and an Ultrasonic Sensor
- Public perceptions and proposals on mismanagement of the local transport system: a statistical analysis of 250 participants including drivers, passengers, and locals
- Developed Timely Care — a doctor appointment management software

STANDARDIZED TEST SCORE

International English Language Testing System (IELTS) — June 16, 2026

Overall	Listening	Reading	Writing	Speaking
7.0	8.0	7.5	6.5	6.5

RESEARCH EXPERIENCE

Undergraduate Thesis

Sep 2025 – Jan 2026

Bilingual Prescription Mining in Low-Resource Setting Using Fine-Tuned Transformer Based Optical Character Recognition Model and Patient-Centric Summarization

- Developed an end-to-end bilingual healthcare AI pipeline for Bangla-English handwritten prescription understanding in low-resource clinical settings
- Created a structured medicine knowledge base and mapped corrected medicine names to strength, disease class, indications, frequency, and timing
- Improved OCR performance from 8.86% to 5.87% CER, 27.96% to 13.42% WER, and 73.13% to 88.06% exact medicine-name accuracy after post-processing

Course-Related Research

Jan 2025 – Aug 2025

- Digital Image Processing Lab: Heartbeat sound classification using CNN-based hybrids and ensemble learning — comparative analysis with machine learning and deep learning models
- Pattern Recognition Lab: Conducted ANN-based gender classification using facial measurement features

TEACHING EXPERIENCE

Independent English Test Preparation Instructor

January 2024 – Present

Online via Discord

- Taught IELTS Reading and Writing strategies to local and international students, with emphasis on grammatical range, lexical resource, sentence structure, and academic writing organization, alongside Duolingo English Test tasks such as sentence completion, writing, and vocabulary development

Private Academic Tutor

September 2022 – Present

Chattogram, Bangladesh

- Teaching school and college students from Grades 9–12 during evening hours, covering English, Physics, Chemistry, Biology, ICT, and Higher Mathematics, while providing topic explanation, exam preparation, regular practice, and personalized feedback

FREELANCE EXPERIENCE

Freelance Full-Stack Developer & Digital Solutions Provider

November 2023 – Present

Remote — Independent, working with a small development team

- Delivered 25+ client projects independently and with a small team spanning web development, API integration, and digital services, including WordPress bug fixing and speed optimization, Python automation scripts and bots, and REST API development and integration
- Designed and developed responsive landing pages (Figma to Webflow/HTML) and full e-commerce stores on Shopify/WooCommerce, from product catalog setup through payment gateway integration
- Built custom Shopify apps/themes, SaaS dashboard UIs (React/Next.js), and website redesigns with responsive/mobile fixes for international clients
- Integrated third-party services including payment gateways, CRMs, maps, and email platforms to connect client applications with external systems
- Produced SEO-optimized blog content and website copywriting; built automated Excel dashboards using formulas and macros
- Performed large-scale data entry, dataset cleaning, and web/data scraping for lead generation and research purposes

PROFESSIONAL EXPERIENCE

Computer System Assistant

September 2021 – December 2021

IT Career Solution, Chattogram, Bangladesh | Part-Time

- Assisted with computer installation, Windows configuration, hardware/software troubleshooting, LAN/WAN connectivity, peripheral setup, and routine system maintenance to support daily IT operations

AWARDS

- PCIU Merit Scholarship Award for Semester GPA 4.00 — Fall 2022, Summer 2023, Fall 2024, Fall 2025
- Government Merit Scholarship Award, Grade 8 — 2015
- Best BNCC Cadet Commander in Battalion Camp — 2018

EXTRA-CURRICULAR ACTIVITIES

- Class Representative, PCIU Computer Club — 2024
- Member, PCIU Volunteers — 2025
- Member, Bangladesh National Cadet Corps (BNCC) — 2017–2018
- Volunteer, Smile Bangladesh — 2016–2017
- Participated in ICPC Regional Preliminary Test — 2022, 2023
- Completed Security & Privacy for Big Data course on Coursera — 2021
