EDUCATION

Bachelor of Science in Computer Science & Engineering Jan 2022 – Feb 2026
Port City International University, Chattogram, Bangladesh
CGPA: 3.84 out of 4.00
Academic Projects and Coursework:

- Developed ATM/CRM machine system management using Object Oriented Programming
- Developed Automated Railway Gate Control using Arduino UNO and Ultrasonic Sensor
- Public perceptions and proposals on mismanagements of local transport system: A brief statistical analysis of 250 participants including drivers, passengers and locals.
- Developed (Timely Care) - A doctor appointment management software.

STANDARDIZED TEST SCORE

International English Language Testing System (IELTS) – 16th of June, 2026

Overall	Listening	Reading	Writing	Speaking
7.0	8.0	7.5	6.5	6.5

RESEARCH EXPERIENCE

Undergraduate Thesis: **(accepted to IEEE BECITHCON 2026)** September 2025 – January 2026
Title: Bilingual Prescription Mining in Low-Resource Setting Using Fine-Tuned Transformer Based Optical Character Recognition Model and Patient Centric Summarization.

- Developed an end-to-end bilingual healthcare AI pipeline for Bangla-English handwritten prescription understanding in low-resource clinical settings.
- Created a structured medicine knowledge base and mapped corrected medicine names to strength, disease class, indications, frequency, and timing.

Course Related Research: January 2025 – August 2025

1. Digital Image Processing Lab: Heartbeat Sound Classification Using CNN-Based Hybrids and Ensemble Learning: Comparative Analysis with Machine Learning and Deep Learning Models
2. Pattern Recognition Lab: Conducted ANN-based gender classification using facial measurement features.

TEACHING EXPERIENCE

IELTS & Other English Test Instructor | Self-Employed January 2024 – Present
→ Taught IELTS Reading and Writing strategies to local and international students, with emphasis on grammatical range, lexical resource, sentence structure, academic writing organization, and Duolingo English Test tasks such as sentence completion, writing, image description, and vocabulary development.
